# Former Indian netter enjoys college success

By Cedarville Sports Info. Dept.

**CEDARVILLE, Ohio** — Elizabeth Miller, a sophomore on the Cedarville (Ohio) women's volleyball team, was a key player this season as the team rolled to a 33-13 season record.

After starting off the season very slowly, Cedarville went on a tear by winning 28 of its last 35 matches. This included the Yellow Jackets first-ever victory over NAIA District 22 champion College of Mount St. Joseph.

"The win against Mount St. Joseph was probably the biggest highlight for the team this season," said Miller, who had a career high 30 kills in the match.

Cedarville made it to the District 22 final for the first time ever, but the Jackets lost to Mount St. Joseph in a rematch in four games.

Miller who was injured and missed nine matches at the start of the season, sprained her ankle late in the season in a separate injury. Despite the injuries, she still put up some excellent numbers.

In 28 matches (78 games), Miller had 251 kills and a team-high attack percentage of .273. She averaged 3.22 kills per game which ranked second on the team.

Coming into the season, Miller was looking to

improve her hitting and kill percentages, and she did just that.

"I had a 100 percent kill percentage in one match, and I'm very happy with the overall improvement that I've been able to make this year," Miller said.

Cedarville College is a Baptist liberal arts college, located in Southwestern Ohio, 25 miles east of Dayton. The school has an enrollment of 2,172 students.

Miller is the daughter of Dr. and Mrs. Keith Miller of Colchester. She is a 1991 graduate of Colchester High School.
